

Bournmoor Primary School Sports Funding Allocation and Impact 2016 – 2017

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

The 2016-2017 Sport Premium funding for Bournmoor Primary School is £8610 which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils

The money was used for:

1. £2,200 to Mr Football for Reception and Year 1 to have one hour per week each on skills and games
2. £1,700 to School Sports Partnership Enhanced Service Level Agreement* to ensure high quality PE support across the year.
3. £4,310 (*includes £1,800 carry over from 2015-16*) spent on equipment and healthy activity clubs to ensure that skills taught the year can be sustained
4. £2,000 spent on outside agencies i.e. sports coaches allowing children to try a fun activity which promotes healthy lifestyles. This can also be continued during playtimes and lunchtimes where children can undertake new sports together for fun. Examples of this would include the Smoothie Bike.
5. £200 spent on accreditation to local Football, Netball and Athletics association. This funding included access for competitive sport such as year round football competitions, periodic netball tournaments (Park view and Houghton Kepier) and Summer Athletics festival.
