

## **Bournmoor Primary School Sports Funding Allocation 2017-18** **Key guidance and allocation notes**

### **What is Sport Premium?**

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in your school attract the funding using data from the January 2017 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE. We give the funding to your local authority and they pass it on to you.

We give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

1. 7/12 of your funding allocation on 31 October 2017
2. 5/12 of your funding allocation on 30 April 2018

### **How to use the PE and sport premium**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

1. Develop or add to the PE and sport activities that your school already offers
2. Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

**For example, you can use your funding to:**

1. Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
2. Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
3. Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
4. Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
5. Enter or run more sport competitions
6. Partner with other schools to run sports activities and clubs
7. Increase pupils' participation in the School Games
8. Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
9. Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
10. Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

**You should not use your funding to:**

Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets

Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)

**The 2017-2018 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (Year 1 to Year 6)** which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,940 in total (figures taken from January 2017 census information).

The money will be used for:

1. £3,200 to Mr Football for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games
2. £3,750 to School Sports Partnership Enhanced Service Level Agreement\* to ensure high quality PE support across the year.
3. £6,290 to be spent on equipment to aid coaching and the delivery of healthy lifestyle sessions. We will also look to improve and develop the physical education opportunities in the newly acquired Nursery and Reception outdoor area.
4. £2,000 to be spent on outside agencies i.e. sports coaches allowing children to try a fun activity which promotes healthy lifestyles. This can also be continued during playtimes and lunchtimes where children can undertake new sports together for fun. Examples of this would include the Healthy Eating cookery sessions for both KS1 and KS2.
5. £1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area.
6. £200 to be spent on accreditation to local Football, Netball and Athletics association. This funding will include access for competitive sport such as year round football competitions, periodic netball tournaments (Park view and Houghton Kepier) and Summer Athletics festival.

Rationale	Expenditure	Intended Impact	Actual Impact	Cost
To provide high quality football coaching skills to N and Y1 to develop their co-ordination, balance and strength	Mr Football sessions each Monday morning  45 mins Nursery 45 mins Reception 45 mins Year 1	100% of N, R and Y1 pupils will have access to high quality coaching. Gross motor skills will develop in these sessions. All pupils will be given opportunities to work individually and in small teams to build strength and stamina.	Nursery children have experienced a wide range of fundamental movement skills based sessions and have made a substantial amount of progress prior to the transition into Year 1.	£3,200 for the academic year
Purchase equipment/activities to allow the sports premium impact to continue and allow us to provide high quality P.E. sessions delivered by class teachers	To allow the continued provision, equipment will be purchased to be used throughout school from N to Y6	Last year a range of equipment was purchased which enhanced our sports provision. This year we intend to continue this investment to ensure that sports/healthy lifestyles remain a key focus for our pupils. Key investment areas will include provision of outdoor equipment for use across the school during timetabled PE sessions and also during break/lunchtimes. Equipment purchasing will build on newly acquired skills from the previous academic year's CPD delivered from qualified coaches.	Specialist Gymnastics equipment has been purchased to allow external coaches/trainers to deliver high quality sessions to both KS1 and KS2 children.  General P.E equipment has continued to be updated, areas include football, basketball and tennis equipment. A successful application to the FA Premier league stars also provided us with a new Football strip for the KS2 school team.	£6,290
To provide outside agencies to allow all pupils to access a fun, healthy sport	Purchase provision across the whole school for Nursery to Year 6	Children will be taught how to complete a range of fun activities. Pupils can then continue this at home if they wish to experience a fun, healthy activity. An example of this will include a whole school healthy eating day with cooking classes, lifestyle choices and recipe ideas. Children will be provided with professional coaching in Gymnastics, Cheerleading and Football (FA coach).	Children have benefited from external coaching expertise in areas including Gymnastics, multi-sports, Cricket, Dodge ball and Football.  FA skills coach has completed the final year of the FA and Lidl funded skills foundation, delivering sessions to KS1, KS2 and Football team across a 6-week period.  Year 1 and Year 2 experienced a professional Dance coach to train and choreograph a morning session in Cheerleading, Bollywood and Street Dance.	£2,000

			Professional coaches worked closely with Year 6 post SATs to develop, design and lead a KS1 Intra-school sports competition, developing leadership and team work skills prior to the transition to secondary school.	
To provide professional transport to and from sporting events throughout the year (majority of this will be utilised within the Summer term)	Coach and bus transport to and from events to provide all chn with access to high quality, competitive sport across a range of different disciplines.	The school will fund travel to and from sporting events to enable access for all children to all sporting events.	Transport has allowed all children at Bournmoor to access the following events at no extra charge. Bournmoor children have experienced the following events delivered by the Durham SSP in the year 2017/18: Tri Golf, Soccertots, KS2 Cross Country, Quicksticks Hockey, KS1 OAA, Quadkids, Durham Dash, Athletics Festival (KS1 and KS2), Reception Festival, KS2 Mini-Olympics, High Five Netball Tournament and the Year 4 & Year 5 Cricket Tournament. In total, a number of 321 participants across 12 tournaments/competitions.	£1,500 across the school year.
Allow children to compete against local schools in a range of activities.	Buy into Chester le Street football association, Netball league and Chester le Street Athletics Association.	Children will be given the opportunity to compete in a range of sports, including, but not limited to; Football, Netball and Athletics. This is to prepare children for the application of skills learned throughout their time at Primary School and experience a more competitive level when in Secondary education.  100% of children in Year 4, 5 and 6 will have access to both Netball and Football team training and have the opportunity to develop skills to maintain a position on the respective team.	The school Football and Netball teams have competed against local schools and have shown a great deal of progress.  The school Netball team have been influential in the succession planning, training and organisation of the 2018-19 team.	£200
