Christmas Performance  
By Carys

It's nearly Christmas, so KS1 and KS2 have been busy rehearsing and performing their plays. KS1 performed: "Hey Ewe" and KS2: "A Midwife Crisis". All the school have been singing their hearts out!

They were both fantastic performances and everyone enjoyed them. On Monday 18<sup>th</sup> December KS1 and KS2 performed their plays to grandparents. The singing was absolutely amazing; there was not a dry eye in the room. "I liked when I said my funny line: *I thought we were just sheep!*" said Will (Year 4/5). "My favourite part of Hey Ewe was the singing because it was absolutely fantastic!" says Mrs Kershaw (Year 6 teacher).

On Tuesday 19<sup>th</sup> December, the Infants performed their play in front of their parents. It was absolutely incredible. The singing was so clear you could hear it from a mile away! Everyone said their lines so clearly and beautifully. On Wednesday 20<sup>th</sup> December the Juniors performed in front of all the parents. It was really loud and clear. The children at the end sang four different Christmas Carols and everyone joined in! Overall the performances were absolutely remarkable. Everyone loved them. We can't wait to see the plays next year.

We wish you all a Merry Christmas!

**Christmas Fair**  
**By Jack**

On the 7<sup>th</sup> of December, we had our annual Christmas fair; it was very fun. There was a lot of different games and food – it was scrumptious! We had Vex (programming robots), tombola, raffle, hot dogs, cakes, make your own biscuits and Santa.

One boy said, “My favourite stall was the Vex because I’ve never done it before; I love engineering and robotics.” Santa was also very popular – the sweets he gave you were tasty. In the end James won the Vex prize (three books and a Sammy figure made from Vex). He was over the moon when he got his prize.

As a school we raised over £400! Thank you all for coming to support our school.

**Goodbye Mrs Parks!**  
**By Sophie**

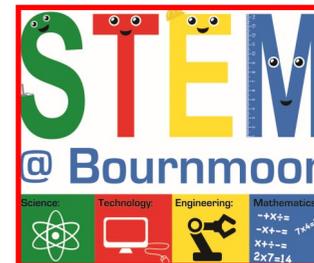

Sadly, Mrs Parks is leaving us just before Christmas. She is going to work at Sacriston Primary School. We hope she has a great time at her new school. We will miss her a lot but we hope she has a good time. She has been an amazing teacher at this school; especially an amazing science teacher. She has brought a lot of science opportunities for us. She has taken us really far with this subject, we even got to plant our own trees in our science areas. We have done many things like: science week, planting trees, we won a science award and much more. We are sad to let her go but we will continue our amazing science journey. We will miss her a lot and she has made a great difference in this school. She will sadly be leaving our school on Friday 22<sup>nd</sup> of December.

We wish her the best of luck in her new school and hope she succeeds. Everyone will miss her and say bye when she goes and she will always be remembered as a science superstar!

Goodbye Mrs Parks! We wish you the best.

**VEX**  
**By Isobel**

Well done to Mr Seaton’s class: Years Four and Five. They have won the annual green power competition again! They had to answer the same question as last year which was: *How will we travel in 2050?* They created the poster and posted it to the green power company. Yet again they won. They are STEM superstars!

**Year 6’s Trip to The Safety**  
**Carousel**  
**By Freya**

On the 17<sup>th</sup> November, Year 6 attended a safety carousel, which taught them all about how to stay safe in a many different situations e.g. in the home, in water etc... The class were on their best behaviour as the police were watching the event! They got to go round the different activities learning really important skills; they enjoyed all the different activities! They took the annual fire safety quiz about how to stay safe in a fire and how to exit their houses safely and Red team beat the Bournmoor record of correct questions. Mrs Kershaw was really impressed!

What a great day overall!
