Dear Parents/Carers,

Delayed opening of schools until 15th June

After further guidance and information has come forward in the last few days, Durham County Council is recommending **15th June** as the date when schools should begin to broaden the numbers of pupils in schools. Durham County has had the safety of staff and children at its core and we are following their guidance on delaying. We will therefore not be opening to Reception, Year 1 and Year 6 on 1st June.

We have spent time preparing to reopen our school to more pupils and this new timeframe will allow even more time to be prepared and welcome those pupils due to return back to school safely. This extended lead in time will give us more time to make sure everything is set up in the best way for our school.

As you will have noticed from the news, changes occur regularly in this time of Covid-19 and we are following the guidance to ensure the safety of everyone.

We have remained open to children of key workers and other designated children as per our initial instructions from the Department of Education. We will continue to do this until the process of returning begins officially. In the meantime, please stay safe.

Yours sincerely,

L A Snowdon

Mrs Laura Snowdon (Headteacher)
