

Year Group: Year 3/4	Date: April 2020
----------------------	------------------

We hope that you are enjoying completing some of the learning challenges that we previously provided, and also some quality time with your families. We are sure you have worked hard to progress through the tasks we have set. We have worked to put together a new selection of homework tasks; some are practical, some are written tasks and some are based around research.

**TWINKL SUBSCRIPTION**

We use a website called 'Twinkl' for some of our resources to support your learning. They have some fantastic Literacy and Maths resources, alongside some fun craft ideas. They are currently offering parents a free subscription. Here's how to access this:

1. Go to [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer)
2. Create a log in and use the code 'CVDTWINKLHELPS' to claim a free subscription.
3. Click on 'Home Learning Hub' and select 'KS2 to access daily activities and resources. Laboratory

**ROUTINE**

Our school day runs from 9:00 to 3:15 but we know it's hard to stay on track when learning from home. Creating a routine is a great way to stay on track; give yourself a set time to get up, get ready and start work on the tasks we have set, just remember to leave time for exercise and something fun!

Twinkl has created a great timetable that is perfect for home learning, you can find an age specific copy at the following link:

<https://www.twinkl.co.uk/home-learning-hub>

Alongside the ideas previously provided, here are some further ideas and resources that you can complete at home:

Area of learning:	Activities:

For ideas, take a look at @jeremylynchofficial (The F2 Freestyler)</li> </ul>
Geography / History	<p>Virtual country visit and road trip tour of Europe: utilise Google Maps to take a virtual tour of a country/city of your choice in Europe. Take a look at the country's food, language, sports, famous landmarks and anything else that you find interesting. You can make a note of all the information you find out in your home-school workbooks, but there is no expectation that anything is recorded for this task, just enjoy the chance to take a look at another country. Then you could visit another country and build up your knowledge. You can take a virtual tour of as many European countries as you like.</p>
