

Bournmoor Primary School Homework Activities

Year Group: Nursery	Date: April 2020
---------------------	------------------

We hope that you are enjoying completing some of the learning challenges that we previously provided, and also some quality time with your families. Please continue to let us know what you are getting up to on Tapestry as we are checking it regularly and love seeing what you have been up to! We are also able to provide support and guidance on there.

TWINKL SUBSCRIPTION

We use a website called 'Twinkl' for some of our resources to support your learning. They have some fantastic Literacy and Maths resources, alongside some fun craft ideas. They are currently offering parents a free subscription. Here's how to access this:

1. Go to www.twinkl.co.uk/offer
2. Create a log in and use the code 'CVDTWINKLHELPS' to claim a free subscription.
3. Click on 'Home Learning Hub' and select 'Age 3-5' to access daily activities and resources. You can also access other activities by selecting 'EYFS' then 'EYFS Home Learning Activities & Resources' and select a category.

OAK NATIONAL ACADEMY

The Oak National Academy has been developed as a fantastic resource which offers online 'lessons', some of which are appropriate for Nursery. You can follow a day by day schedule which offers a structure of three lessons each day, or just select a subject and access the lessons as and when you choose to. Here's how to access it:

1. Go to <https://www.thenational.academy/online-classroom>
2. Click either 'Subject' or 'Schedule' depending on what you would prefer.
3. Select 'Reception' and then which lesson you would like to access. The lesson will inform you of which sections are appropriate for Nursery.

Alongside the ideas previously provided, here are some further ideas and resources that you can complete at home:

Area of learning:	Activities:
Literacy / Communication and Language	<p>Please continue to access the e-books and phonics games and activities previously provided.</p> <p>Phonics Play (https://new.phonicsplay.co.uk/) are now allowing you free access to all of the games on their website using these log in details: Username: march20 Password: home</p> <p>Our topic this half term would have been 'If You Go Down to the Woods...' We would have been exploring stories such as 'The Gruffalo' and 'Goldilocks and the Three Bears'.</p> <ul style="list-style-type: none"> • Do you have these stories at home? Or any other stories that are set in the woods? You could read them together with a grown-up or watch them on YouTube. • After you have read a story, talk about your favourite characters and favourite part of the story. You could draw or paint a picture and talk about it! • Talk about the beginning, middle and end of the story and pick a key event from each section. Draw a picture of each event and then have a go at putting the pictures in the correct order. You could then use your pictures to tell the story to a different family member! Or record yourself telling the story and upload it to Tapestry!
Mathematics	<p>Please continue to practise your maths skills using the activities and resources previously provided.</p> <p>Numbers to 10:</p> <p>This half term, we would have been focusing on identifying numbers to 10 and counting amounts accurately. Here are some activities you could complete to help with this:</p> <ul style="list-style-type: none"> • https://www.twinkl.co.uk/resource/t-n-1238-counting-scenes-powerpoint-1-10 • https://www.twinkl.co.uk/resource/t-n-4611-new-eyfs-maths-counting-objects-to-10-home-learning-challenge-sheet • https://www.topmarks.co.uk/maths-games/3-5-years/counting
Personal, Social & Emotional Development	<ul style="list-style-type: none"> • Make a kindness box. Fill this box/jar with little kind tasks that you can do at home. These could be helping to tidy, saying thank you, sharing your toys etc... Once your box is full, pick these throughout the day and spread some kindness.
Physical Development	<ul style="list-style-type: none"> • You could try completing the Daily Mile in your garden. How long does it take you to complete? Will you walk? Or will you jog?
Understanding the World / Expressive Arts & Design	<ul style="list-style-type: none"> • Share 'The Gruffalo' story and, after you have read it, select your favourite animal from the story and find out some interesting facts about them! You could also find out about different animals that live in the woods. • Search on the 'twinkl' website for some fun home science experiments! • Practise your sketching and drawing skills. Can you draw a flower from your garden? A pet? Or maybe a self-portrait?
