

Bournmoor Primary School Homework Activities

Year Group: 6

Date: June 2020

We hope that you are enjoying completing some of the learning challenges that we previously provided, and also some quality time with your families.

Alongside the ideas previously provided, here are some further ideas and resources that you can complete at home:

Area of learning:	Activities:
English	<ul style="list-style-type: none"> • Please continue to complete the tasks previously provided. • Complete regular comprehension tasks. Activities can be provided on the Twinkl website. • Remember to practise your spelling, handwriting and letter formation. Both the Year 5 and Year 6 spelling lists can be found on the reverse of this home learning sheet. • Complete some spelling, grammar and punctuation activities via the Top Marks website: • https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar and for children in Year 6 wishing to prepare for Year 7, https://www.topmarks.co.uk/english-games/11-14-years/speaking-and-listening • Please read. There are free e-books to share at home and audible is providing all children's books free of charge: https://stories.audible.com/start-listen • Choose one of the authors from 'authorfy' and complete the provided tasks based on their most recent novel. You will need to register for an account, but access is free. https://authorfy.com/masterclasses/ • Poetry – listen to or read one of the available poems on the following website and then try to create your own inspired by what you have seen/heard. https://childrens.poetryarchive.org/
Mathematics	<ul style="list-style-type: none"> • Accessing the White Rose Maths remains the best preparation for next year as this follows the same scheme of work as we currently use in school. There will be a weeks' worth of lessons uploaded at once, giving you a bank of resources that you can choose from depending on what you feel your specific focus should be. Information, resources and lessons can be found at https://whiterosemaths.com/homelearning/year-5/ • Visit the Top Marks website to complete a variety of tasks: https://www.topmarks.co.uk/maths-games/7-11-years/ordering-and-sequencing-numbers • Continue to access <i>Mathletics</i> and Times Table Rock Stars. A list of the battles between different Year 5 & 6 has been created and can be found on the reverse of this sheet. You can also keep track of the battle scores (certificates will be printed when we return to school) • If you feel like some problem solving, try https://nrich.maths.org/primary • Additional home learning resources can be found via the Classroom Secrets website: https://classroomsecrets.co.uk/free-home-learning-packs/
PSHE	<ul style="list-style-type: none"> • Transition from Y6 to Y7. Barclays Bank have released some great online resources to assist children with the transition from primary to secondary school. Logon and register at the link below to complete activities based on financial independence and staying positive. • Research your new secondary school. Many of you will be moving to a school you have already visited whilst some of you will be going somewhere completely new. Use this time to research everything you will need to start the new school year in September. The school website, twitter and even Ofsted website are a great place to start; you could even complete a virtual interview with someone that you know who already attends the school. • Keep up to date with what is happening around the world by reading one of the daily newsletters at the website below or watching the daily Newsround broadcast online or on the CBBC channel. • https://theday.co.uk/subscriptions/the-day-home
PE	<ul style="list-style-type: none"> • Please access the daily 'Joe Wicks' workouts at 9.00am live on YouTube! • You can also try completing the Daily Mile in your garden. How long does it take you to complete? Will you walk? Or will you jog? • Complete a personal challenge, this could be something simple like practising your football kickup high score, or you could think of something more challenging like create your own obstacle course and keeping track of your completion time.
Science	<ul style="list-style-type: none"> • See Twinkl website for some home learning experiments! • The STEM website has provided some home learning activities. These are completely free but you must register to access these. https://www.stem.org.uk/home-learning •
History	<ul style="list-style-type: none"> • Work through the "End of the Empire" KS3 resources and lessons packs. This should give you an idea of what to expect in a year 7 History lesson. https://www.twinkl.co.uk/resources/keystage3-ks3-history-ks3/britain-europe-and-the-wider-world-1901-present-ks3-history-secondary/the-end-of-empire-britain-europe-and-the-wider-world-1901-present-ks3-history-secondary
Art	<ul style="list-style-type: none"> • Design a new school flag for Bournmoor Primary school • Design (and possibly even create) a new Football Team kit for the 2020/21 season

Year 5 and 6 Statutory Spellings
