13th July 2020

Dear Parents/Carers,

We have had enquiries from some parents about whether children can give gifts to teachers this year. For many parents and children, buying a gift for their teacher is part of their end of year preparations. We know that for children the chance to say goodbye to their current year, and think ahead to next year, is a crucial part of their transition. It is therefore with deep regret and sincere apology that we are unable to invite children or parents in who wish to bring a gift to staff. We know that this may be hard to explain to children but your support with this is appreciated. If your child has made or bought a gift in the hope we would be back to school fully by now, perhaps they could wait until September and we can look at doing this then.

End of term events and celebrations should have been top of our agenda at this point with sports day, the Year 6 leavers show and our summer fair to name a few underway or already completed. This has been such an unusual year and as we look back it is clear that so many things have had to change, or be done differently, to keep everyone safe. As staff, we appreciate the support we have had during lockdown and the re-opening of our school. Everyone has followed the rules carefully and kept our school community safe and well. Our wish is that everyone keeps safe and well, ready to return to school in September and we very much look forward to that.

I wish you all a good summer and look forward to seeing you on Wednesday 2nd September.

Yours sincerely,

L A Snowdon

Mrs Laura A Snowdon (Headteacher)
