

Year Group: 3 and 4

Date: W/C 19th October 2020

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<ul style="list-style-type: none"> We are reading the Twits by Roald Dahl as our class novel so could you please create a mini project about the book. Make a comic strip of Mrs Twit's balloon adventure (p.26-35) Proof read to check that you have not made any mistakes and if there are improvements you can make so your writing is fabulous! Practise common exception word spellings and Year3 and 4 spellings. Lists can be found via Twinkl https://www.twinkl.co.uk Read any books, comics, magazines you may have at home. Handwriting practise and letter formation. Use the spelling lists for handwriting practise words or worksheets can be found via Twinkl https://www.twinkl.co.uk
<p>Mathematics</p> 	<ul style="list-style-type: none"> Complete some Number and Place Value activities on <i>Mathletics</i>. Log in to Times Tables Rock Stars to practice times tables. Practice the 10x, 5x, 3x, 4x 8x, 6x, x9 tables on paper in order and random questions. Practice adding and subtracting multiples of 100 (revision work). Practice adding and subtracting 1s to 3-digit numbers and practice adding and subtracting 3-digit and 1-digit numbers (Y3). Practice adding and subtracting 1s, 10s, 100s, 1000s to 4-digit numbers (Y4). <p>Support, tasks and activities for these topics can be found via the White Rose website https://whiterosemaths.com/homelearning/</p>
<p>PE</p> 	<p>We will be learning about teamwork in our PE lessons. Be outdoors in your garden and be active. Draw a plan of your garden and locate different objects. Go on a treasure hunt around your garden. Can you find ways to get from one side of the garden to the other without your feet touching the ground? Make an obstacle course.</p>
<p>Science</p> 	<p>Why does the reflection change as the angle of the mirror is changed? Pupils will explore this question by experimenting, exploring and observing using a variety of scientific equipment (e.g. a torch and a mirror) and watching videos. Pupils will present their thoughts and findings with words and pictures.</p> <p>Excellent science videos are available via the BBC Bitesize website. https://www.bbc.co.uk/bitesize/subjects/z6svr82</p>
<p>History</p>  <p>Computing</p> 	<p>Pupils will examine ancient Greek Gods. They will become historical detectives and discuss what they have found out about the Gods and what this tells us about the ancient Greeks. Create a fact file about the Gods for other children to use. You can create a set of 'ancient Greek Gods' Top Trumps cards.</p> <p>Use the computer to create the power point or word document for the ancient Greeks. Information about the ancient Greeks can be found via the Twinkl website: https://www.twinkl.co.uk</p>
