

Year Group: 3 and 4

Date: W/C 21st September 2020

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please note that some tasks will require hard copies of documents and these will be sent to you separately. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<ul style="list-style-type: none"> We are reading the Twits by Roald Dahl as our class novel so could you please create a mini project about the book: write your own trick, make a leaflet on looking after pets or write a list of questions you would ask Mr and Mrs Twit in an interview. Proof read to check that you have not made any mistakes and if there are improvements to be made to make your writing fabulous! Practise common exception word spellings and Year3 and 4 spellings. Lists can be found via Twinkl https://www.twinkl.co.uk Read any books, comics, magazines you may have at home. Handwriting practise and letter formation. Worksheets can be found via Twinkl https://www.twinkl.co.uk
<p>Mathematics</p> 	<ul style="list-style-type: none"> Complete some Number and Place Value activities on <i>Mathletics</i>. Log in to Times Tables Rock Stars to practice times tables. Practice the 10x, 5x, 3x, 4x 8x tables on paper in order and random questions. Practice counting in 100s, 1000s Learn to write (in words) numbers to 1000, numbers to 10,000 Understand hundreds, tens and ones in numbers up to 1000 e.g. identify that $567 = 500 + 60 + 7$. Understand thousands, hundreds, tens and ones in numbers up to 10,000 e.g. identify that $5567 = 5000 + 500 + 60 + 7$. <p>Support, tasks and activities for these topics can be found via the White Rose website https://whiterosemaths.com/homelearning/</p>
<p>PE</p> 	<p>We will be learning about teamwork in our PE lessons. Be outdoors in your garden and be active. Draw a plan of your garden and locate different objects. Go on a treasure hunt around your garden. Can you find ways to get from one side of the garden to the other without your feet touching the ground? Make an obstacle course.</p>
<p>Science</p> 	<p>How do we see light? How is light reflected? How are shadows formed? Pupils will explore these questions by experimenting, exploring and observing using a variety of scientific equipment (e.g. torches, coloured paddles etc.) and everyday resources (e.g. paper, the sun, rulers, coloured wrappers, objects to form shadows) and watching videos. Pupils will present their thoughts and findings with words and pictures.</p> <p>Excellent science videos are available via the BBC Bitesize website. https://www.bbc.co.uk/bitesize/subjects/z6svr82</p>
<p>History</p> 	<p>Pupils will research the ancient Greeks and present their findings via a power point, poster or leaflet. <i>Who were they? When were they living? What did they do? What was life like? Why are they important?</i></p>
<p>Computing</p> 	<p>Use the computer to create the power point or word document for the ancient Greeks. Information about the ancient Greeks can be found via the Twinkl website: https://www.twinkl.co.uk</p>
