

Year Group: 3 and 4

Date: W/C 5th October 2020

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<ul style="list-style-type: none"> We are reading the Twits by Roald Dahl as our class novel so could you please create a mini project about the book: make up your own trick and write a new chapter for the book based on your trick, decide if Mr or Mrs Twit will play the trick on the other, where will it take place, what will they use, add speech to your chapter so the Twits are talking to each other. Proof read to check that you have not made any mistakes and if there are improvements you can make so your writing is fabulous! Practise common exception word spellings and Year3 and 4 spellings. Lists can be found via Twinkl https://www.twinkl.co.uk Read any books, comics, magazines you may have at home. Handwriting practise and letter formation. Use the spelling lists for handwriting practise words or worksheets can be found via Twinkl https://www.twinkl.co.uk
<p>Mathematics</p> 	<ul style="list-style-type: none"> Complete some Number and Place Value activities on <i>Mathletics</i>. Log in to Times Tables Rock Stars to practice times tables. Practice the 10x, 5x, 3x, 4x 8x, 6x tables on paper in order and random questions. Practice counting in 25s, 50s Learn about Roman numerals and represent numbers using this number system Practise comparing and ordering 3-digit numbers Practise comparing and ordering 4-digit numbers <p>Support, tasks and activities for these topics can be found via the White Rose website https://whiterosemaths.com/homelearning/</p>
<p>PE</p> 	<p>We will be learning about teamwork in our PE lessons. Be outdoors in your garden and be active. Draw a plan of your garden and locate different objects. Go on a treasure hunt around your garden. Can you find ways to get from one side of the garden to the other without your feet touching the ground? Make an obstacle course.</p>
<p>Science</p> 	<p>How is light reflected? How are shadows formed? How can the size or shape of shadows change? Pupils will explore these questions by experimenting, exploring and observing using a variety of scientific equipment (e.g. torches, different materials etc.) and everyday resources (e.g. paper, the sun, rulers, objects to form shadows, mirrors) and watching videos. Pupils will present their thoughts and findings with words and pictures.</p> <p>Excellent science videos are available via the BBC Bitesize website. https://www.bbc.co.uk/bitesize/subjects/z6svr82</p>
<p>History</p> 	<p>Pupils will examine ancient Greek artefacts. They will become historical detectives and decide what the artefacts are, what they were used for, what they are made of and what they tell us about the ancient Greeks. Can you create a museum guide for children to provide information about ancient Greek artefacts?</p>
<p>Computing</p> 	<p>Use the computer to create the power point or word document for the ancient Greeks. Information about the ancient Greeks can be found via the Twinkl website: https://www.twinkl.co.uk</p>
