

Year Group: 3 and 4

Date: W/C 9th November 2020

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please note that some tasks will require hard copies of documents and these will be sent to you separately. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<ul style="list-style-type: none"> • We are reading the Twits by Roald Dahl as our class novel so could you please create a mini project about the book. • Write a report about the 'Four Sticky Little Boys' incident (p41-43). • Proof read to check that you have not made any mistakes and if there are improvements you can make so your writing is fabulous! • Practise common exception word spellings and Year3 and 4 spellings. Lists can be found via Twinkl https://www.twinkl.co.uk • Read any books, comics, magazines you may have at home. • Handwriting practise and letter formation. Use the spelling lists for handwriting practise words or worksheets can be found via Twinkl https://www.twinkl.co.uk
<p>Mathematics</p> 	<ul style="list-style-type: none"> • Complete some Addition and Subtraction activities on <i>Mathletics</i>. • Log in to Times Tables Rock Stars to practice times tables. • Practice the 10x, 5x, 3x, 4x 8x, 6x, x9, x11, x12 tables on paper in order and random questions. • Practice subtracting 3-digit and 2-digit numbers, then two 3-digit numbers with and without exchanges (Y3). • Practice subtracting two 4-digit numbers with and without exchanges (Y4). <p>Support, tasks and activities for these topics can be found via the White Rose website https://whiterosemaths.com/homelearning/</p>
<p>PE</p> 	<p>We will be engaging in dance in our PE lessons. Make up your own dance routines to your favourite music. Be creative and fabulous!! Teach someone in your house the dance routine you have created.</p>
<p>Science</p> 	<p>Why does the reflection change as the angle of the mirror is changed? Pupils will explore this question by experimenting, exploring and observing using a variety of scientific equipment (e.g. a torch and a mirror) and watching videos. Pupils will present their thoughts and findings with words and pictures.</p> <p>Also as this is the end to our topic on light, can you summarise what you have learnt about light from the science activities and investigations we have done.</p> <p>Excellent science videos are available via the BBC Bitesize website. https://www.bbc.co.uk/bitesize/subjects/z6svr82</p>
<p>History</p> 	<p>Pupils will examine the differences between the city states of Sparta and Athens. They will research how the Spartans and Athenians were different. As historical detectives they will discuss and present what they have found out.</p>
<p>Computing</p> 	<p>Use the computer to create a power point or word document recording the differences between the Spartans and Athenians. Information about the ancient Greeks can be found via the Twinkl website: https://www.twinkl.co.uk</p>
