

Year Group: 5/6 – WEEK 5

Date: W/C 12.10.20

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<p>SPAG.COM Complete the set tests on SPAG.COM based on core skills sessions that we have completed in class. Login details can be found in the front of your homework book.</p> <p>Recount – Create a recount/narrative in the past tense about one of your favourite experiences so far. This can be anything you have had the opportunity to do since starting school at the age of 5. It can be either in school, at home or an experience you have had on holiday.</p> <p>Handwriting: Log on to the Newsround website and create a set of notes about the news of the day – this should be in your neatest, joined handwriting style. <i>If children wish to keep up to date with our class novel, it can be purchased on Amazon kindle or at WHSmiths and Waterstones. Alternatively, it is also available on Amazon Audible as part of their FREE TRIAL.</i></p>
<p>Mathematics</p> 	<ul style="list-style-type: none"> • Complete some Four Operations activities on <i>Mathletics</i>. • Compete in the Year 5 Vs Year 6 Times Table Rockstars competition online <p>WHITE ROSE HUB WEEK 6 – Add, subtract, multiply and divide whole numbers Complete this week’s activities on the WHITE ROSE HUB website – You can access a video for each session which includes explanations and tasks to complete – 1 video per day. Please see below for notes on how to access this resource. Visit https://whiterosemaths.com/homelearning/ and click the appropriate year group. Here you will find a list of week numbers with supporting material. Click the week number shown at the top of this sheet. You will be provided with tasks to complete (1 per day) with accompanying videos. If you are not 100% confident at the end of the day, you should take the time to refresh and familiarise yourself, possibly even repeat the session until you are confident.</p>
<p>PE</p> 	<p>STAY ACTIVE Create your own outdoor game for when you return to school (Winter or Summer) Using items from around the house (or items you know are available at school) create your own competitive game. This can be something simple such as shuffle board or an aim and throw activity or you could design an indoor version of your favourite sport. Note the rules down and we could possibly play the game when you return to school.</p>
<p>Science</p> 	<p>PSQM – how awesome is Science at our school? Create a short presentation/poster that explains how amazing science is in our school. This can then be used in our submission for the award this year.</p>
<p>Computing</p> 	<p>Typing practise Being at home is the perfect time to work on your word processing skills. You can access typing practise material at the website below. Here you can practise different word patterns, keep a score you how accurate you are and also how quickly you are able to type. https://www.keybr.com/</p>
<p>History</p> 	<p>Groovy Greeks Greek Gods – Research the different Greek Gods and create a factfile/top trumps card for the most interesting Greek God. You could create more than one if you want to compare the Gods with one another.</p>
