

**Year Group: 5/6 – WEEK 10**

**Date: W/C 16.11.20**

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p><b>English</b></p> 	<p><b>SPAG.COM</b> Complete the set tests on SPAG.COM based on core skills sessions that we have completed in class. Login details can be found in the front of your homework book.</p> <p><b>Descriptive writing</b> – access the literacyshed.com and choose one of the new animations to watch. This could be based on the Christmas period. You will then be provided with a number of different activities that you can complete, such as re-writing the story, changing ending or adding a plot twist.</p> <p><b>Handwriting:</b> Log on to the Newsround website and create a set of notes about the news of the day – this should be in your neatest, joined handwriting style. <i>If children wish to keep up to date with our class novel, it can be purchased on Amazon kindle or at WHSmiths and Waterstones. Alternatively, it is also available on Amazon Audible as part of their FREE TRIAL.</i></p>
<p><b>Mathematics</b></p> 	<ul style="list-style-type: none"> <li>• Complete some <b>Fractions</b> activities on <i>Mathletics</i>.</li> <li>• Compete in the Year 5 Vs Year 6 Times Table Rockstars competition online</li> </ul> <p><b>WHITE ROSE HUB WEEK 10 – FRACTIONS</b> Complete this week's activities on the WHITE ROSE HUB website – You can access a video for each session which includes explanations and tasks to complete – 1 video per day. Please see below for notes on how to access this resource. Visit <a href="https://whiterosemaths.com/homelearning/">https://whiterosemaths.com/homelearning/</a> and click the appropriate year group. Here you will find a list of week numbers with supporting material. Click the week number shown at the top of this sheet. You will be provided with tasks to complete (1 per day) with accompanying videos. If you are not 100% confident at the end of the day, you should take the time to refresh and familiarise yourself, possibly even repeat the session until you are confident.</p> <ul style="list-style-type: none"> <li>• Please log on to <a href="http://www.maths.co.uk">www.maths.co.uk</a> with your new login details (if you are at home, we will text these out to you)</li> </ul>
<p><b>Science</b></p> 	<p><b>Electricity</b> We will be starting our new topic based on Electricity this week in school. For your home learning, we would like you to complete the same first session that your peers will be in school. This session is based around a “What do I know?” and a “What would I like to know?” format. You will need to answer both questions and this can be completed in any format you wish.</p>
<p><b>Computing</b></p> 	<p><b>Typing practise</b> Being at home is the perfect time to work on your word processing skills. You can access typing practise material at the website below. Here you can practise different word patterns, keep a score you how accurate you are and also how quickly you are able to type. <a href="https://www.keybr.com/">https://www.keybr.com/</a></p>
<p><b>History</b></p> 	<p><b>Romans</b> Following our final session on the Greeks, we will be starting our new topic based around Ancient Rome this week. We would like you to note down all your current knowledge of the Romans and create a list of the areas you want to cover during our time studying the topic. You may want to look at great battles, famous Romans or just look in to the Roman way of life.</p>
