

Year Group: 5/6 – WEEK 7

Date: W/C 2.11.20

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Subject	Activities:
<p>English</p> 	<p>SPAG.COM Complete the set tests on SPAG.COM based on core skills sessions that we have completed in class. Login details can be found in the front of your homework book.</p> <p>Descriptive writing – access the literacyshet.com and choose one of the animations to watch. You will then be provided with a number of different activities that you can complete, such as re-writing the story, changing ending or adding a plot twist.</p> <p>Handwriting: Log on to the Newsround website and create a set of notes about the news of the day – this should be in your neatest, joined handwriting style. <i>If children wish to keep up to date with our class novel, it can be purchased on Amazon kindle or at WHSmiths and Waterstones. Alternatively, it is also available on Amazon Audible as part of their FREE TRIAL.</i></p>
<p>Mathematics</p> 	<ul style="list-style-type: none"> • Complete some Four Operations activities on <i>Mathletics</i>. • Compete in the Year 5 Vs Year 6 Times Table Rockstars competition online <p>WHITE ROSE HUB WEEK 8 – FRACTIONS Complete this week's activities on the WHITE ROSE HUB website – You can access a video for each session which includes explanations and tasks to complete – 1 video per day. Please see below for notes on how to access this resource. Visit https://whiterosemaths.com/homelearning/ and click the appropriate year group. Here you will find a list of week numbers with supporting material. Click the week number shown at the top of this sheet. You will be provided with tasks to complete (1 per day) with accompanying videos. If you are not 100% confident at the end of the day, you should take the time to refresh and familiarise yourself, possibly even repeat the session until you are confident.</p>
<p>PE</p> 	<p>Olympics Complete a session of Yoga using a tutorial from Youtube. Yoga can be great a great way to prepare, but also to de-stress after a challenging day. Once complete, see if you can come up with your own session that can be delivered to the class when you return to school.</p>
<p>Science</p> 	<p>Scratch.com Following our recent session based on an introduction to coding and programming, I would like you to create an account for Scratch online and create your own Scratch project. If you save the project you will be able to access it at school online, then show your peers what you have been working on.</p>
<p>Computing</p> 	<p>Typing practise Being at home is the perfect time to work on your word processing skills. You can access typing practise material at the website below. Here you can practise different word patterns, keep a score you how accurate you are and also how quickly you are able to type. https://www.keybr.com/</p>
<p>History</p> 	<p>Greek battles Re-write one of your favourite Greek myths as a screen play/piece of drama. You will need to create a cast list, props list and a set of dramatic settings. Make sure that you include stage directions within your play so that the actors know how and where to deliver their lines.</p>
