

This week in school we will be learning about a range of topics. Please find this list below, with links for worksheets, websites and additional assistance. Please note that some tasks will require hard copies of documents which are attached and can be sent to you separately. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.

Don't forget, you can upload any learning you do at home on Tapestry! We check this system regularly and are able to provide support and guidance on there. Please contact the school office if you do not have access to this system.

Phase 1 Phonics Games

- Sing action songs together such as ‘Humpty Dumpty’ and ‘Head, Shoulders, Knees and Toes’
- Share some Nursery Rhymes – they are a great way to introduce rhyming! Look on the BBC school radio website for ideas (<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-a-to-z-index/z4ddgwx>)
- Listen to the sounds on these videos and talk about what you can hear - <https://www.bbc.co.uk/teach/school-radio/eyfs-listening-skills/zbc4y9q>
- Play hide, listen and seek. Choose a person to hide and give them a musical instrument. Ask the hider to play the instrument and encourage the seekers to listen to the sound and locate them.
- Lay some instruments in front of you and play them all to listen to the sounds. Ask your child to close their eyes and hide an instrument behind your back. Bang, shake or rattle the instrument. Can your child guess which instrument is making the noise?
- Play ‘I spy with my little eye...’ and sound out the item you are thinking of. For example, “something that sounds like c-a-t”.
- Go on a walk around your garden. Stop occasionally and invite your child to close their eyes and listen to the sounds. Can they tell you what they can hear? Is it a loud or quiet sound?
- Hide some toy animals in a bag. Ask your child to pick out an animal but tell them not to show you. Instead, ask them to make the animal sound for you to guess the animal.
- Fill socks with items such as rice, pasta or crumpled up paper. Explore the socks and talk with your child about the sounds they make and what they think might be inside.
- My turn, your turn. Can your child copy a body percussion pattern? Stand opposite each other. Can they copy your movements e.g. clap, clap, stomp, clap.
