

Bournmoor Primary School Sports Funding Allocation 2019/2020 with impact

The 2019-2020 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (Year 1 to Year 6) which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,940 in total.

The money will be used for:

1. £3,200 to AE Coaching for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games.
2. £3,975 to School Sports Partnership Enhanced Service Level Agreement to ensure high quality PE support across the year.
3. £1,000 to be spent on outside agencies i.e. sports coaches allowing children to try a fun activity which promotes healthy lifestyles. This can also be continued during playtimes and lunchtimes where children can undertake new sports together for fun. Examples of this would include the Healthy Eating cookery sessions for both KS1 and KS2.
5. £1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area.
6. £3,000 to be spent on external coaches to deliver after-school PE sessions for children in Reception to Year 6.
- £200 to be spent on accreditation to local Football, Netball and Athletics association. This funding will include access for competitive sport such as year round football competitions, periodic netball tournaments (Park view and Houghton Kepier) and Summer Athletics festival.
7. £4562 to be spent on updating and replacing PE equipment for use in lessons and at lunch/break times. This will also include to purchase of school bibs for use at inter-school sports events.

Rationale	Expenditure	Impact	Cost
<p>School Sports Partnership Bronze Service agreement to be used to ensure high quality PE support across the year</p>	<p>Buy into the Durham School Sports Partnership</p> <p>12 units to be spent on opportunities available from the Durham SSP (such as Come Dance Festival)</p>	<p>Pupils will be encouraged to become sports leaders through SSP training for our Schools Sports Organising Crew (SSOC). They can use these skills in particular in Fit for Life week via intra-competitions that will also be organised through the Durham SSP.</p> <p>Also in 2018-2019 is access to Park View Academy of Excellence for Sport programme for Year 7 pupils so their sporting skills can continue to be developed.</p> <p>In addition to CPD and entry to sports events, the SSP will provide:</p> <ul style="list-style-type: none"> • 12 hours high quality curriculum coaching Invasion games • 18 hours high quality coaching Invasion games • 6 hours of fencing coaching • Street Activities Games Day • 12 hours Intervention Programme: morning • Morning of come dance with me with Year ½ <p>Due to the restrictions put in place following the COVID 19 lockdown, sports events and outside coaching session were paused in the Spring term. Although the school did not receive the direct coaching provision, the SSP provided suitable remote support during this time, which allowed teachers to continue the PE provision in school for those children still attending (Key worker etc and Y1 and Y6)</p>	<p>£3,975 for the full range of services provided across the academic year 2019-2020</p>
<p>To provide high quality football coaching skills to N and Y1 to develop their co-ordination, balance and strength</p>	<p>AE Coaching Monday morning</p> <p>45 mins Nursery 45 mins Reception 45 mins Year 1 45 mins Year 2</p>	<p>100% of N, R and Y1 pupils will have access to high quality coaching. Gross motor skills will develop in these sessions. All pupils will be given opportunities to work individually and in small teams to build strength and stamina.</p> <p>AE coaching delivered high quality tailored coaching to 100% of pupils N to Y2. This was also part of the up-skilling of staff members in each year group to enable them to successfully deliver PE sessions in the 2nd hour of each week's timetable.</p>	<p>£3,200 for the academic year</p>

		<p>AE coaching also worked closely with our Year 5 pupils to develop their skills in the role of Sports Leaders. Children had the opportunity to develop a range of Playground games, ultimately working towards delivering their own intra-school sports event to all children. This developed maturity, confidence and leadership skills among all our year 5 pupils.</p>	
<p>To provide outside agencies to allow all pupils to access a fun, healthy sport</p>	<p>Purchase provision across the whole school for Nursery to Year 6</p>	<p>Children will be taught how to complete a range of fun activities. Pupils can then continue this at home if they wish to experience a fun, healthy activity. An example of this will include a whole school healthy eating day with cooking classes, lifestyle choices and recipe ideas. Children will be provided with professional coaching in Gymnastics, multi-skills and cricket.</p> <p>COVID 19 restrictions meant that this provision will put in place in the next academic year, or as soon as restrictions allow. SCOUTED will provide this opportunity and work across the whole school in small sessions across 1 day, eventually leaving teachers with a bank of ideas/resources that they can deliver to the class following the session.</p>	<p>£1,000 for the academic year</p>
<p>To provide professional transport to and from sporting events throughout the year (majority of this will be utilised within the Summer term)</p>	<p>Coach and bus transport to and from events to provide all children with access to high quality, competitive sport across a range of different disciplines</p>	<p>The school will fund travel to and from sporting events to enable access for all children to all sporting events.</p> <p>Due to COVID 19 lockdown, spring and summer term events were cancelled. As a result of this, the budget was this has been included in our carry over for the next academic year. This will now allow us to access more sports across all age groups, should the COVID 19 restrictions allow.</p>	<p>£1,000 across the school year.</p>
<p>Professional coaching or after-school clubs</p>	<p>Provide weekly sessions after-school for external coaches to work with children on a range of sports such as Dodgeball and Gymnastics.</p>	<p>During the Autumn and beginning of the Spring term the following after-school clubs were offered to children:</p> <ul style="list-style-type: none"> • Gymnastics KS1 and KS2 • Fencing KS2 • Multisport KS1 and KS2 • Dodgeball KS1 and KS2 <p>A variety of different sports were planned to be offered in the Spring 2 and Summer terms based around athletics and orienteering.</p>	<p>£3,000</p>

<p>Allow children to compete against local schools in a range of activities</p>	<p>Buy into Chester-le-Street Football Association, Netball league and Chester le Street Athletics Association</p>	<p>Children will be given the opportunity to compete in a range of sports, including, but not limited to: football, netball and athletics. This is to prepare children for the application of skills learned throughout their time at primary school and experience a more competitive level when in secondary education.</p> <p>Children from Years 4 – 6 have had the opportunity to represent the school in the local football league. Unfortunately, COVID 19 restrictions put an end to the season prematurely, but the team is ready for the new season to begin in the next academic year.</p>	<p>£200</p>
<p>Replace equipment to ensure teachers, apprentice and dinner staff have the correct, suitable equipment to deliver active sessions</p>	<p>Utilise the carry-over from previous year to replace old equipment, as well as purchase school bibs for external events</p>	<p>New equipment will allow teachers and staff to maintain the high level of PE delivery across the school, building on the success of the previous year. Recommendations have been taken from external coaches to increase the breadth of equipment on offer, for example, a spring board was purchase in 2018 to allow teachers and coaches to further expand the delivery of gymnastics in school.</p> <p>We have continued to update our break time resources to replace those lost in the previous year. Children are involved in this decision making process and all the suggestions are considered by our Year 5 sport leader, who then look to order suitable resources that will allow the whole school access to a range of activities, for example, bounce nets and balance boards.</p>	<p>£4,562</p>

Other ways in which we promote healthy lifestyles at Bournmoor Primary School:

Rationale	Expenditure	Impact	Cost
To utilise teachers' skills developed through Sports Premium Funding training in 2017-2018	Staff time used to enhance PE delivered in school through extra-curricular activities or curricular time	<p>Primary football CPD delivered by the FA upskilled teaching staff to provide in school football club and high quality training provision.</p> <p>Weekly football coaching provided by one of our teachers to ensure that pupils in Y4, 5 and 6 have the opportunity to develop their abilities. Teaching skills were developed in the Durham PE courses.</p> <p>Weekly Netball training in readiness for local schools' tournament. This builds on newly acquired equipment in 2016 and 2017.</p>	No cost
Links beyond school are developed which allow sustainable healthy lifestyle choices	More Able pupils who leave Year 6 are able to further develop skills taught in Primary	100% of children from Nursery to Year 6 will be able to take part in team and individual events in which they will have the opportunity to develop skills and understanding of sport and healthy living.	No cost
Links beyond school are developed which allow accessible competitive sporting opportunities	Links with Bournmoor Cricket Club and Bournmoor Tennis Club	100% of children will be given the opportunity to develop their cricket and tennis skills in the correct environment and with the correct equipment.	No cost
To increase the range and scope of club links	Work closely with local football and Netball teams (Washington AFC and Vixens Netball) to develop a pathway for competitive sport to be continued as Year 6 children look to move on to Secondary education	<p>The school's PE coordinator will work closely with local clubs to develop the links we provide for 100% of children from R to Year 6.</p> <p>Building on previous year's successes in both netball and football, we will look to further develop these clubs links to strengthen the drive and ambition held by children in KS2.</p>	No cost

Key Guidance and Allocation Notes

What is Sport Premium?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in school attract the funding using data from the January 2019 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE.

They give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

7/12 of your funding allocation on October 2019

5/12 of your funding allocation on April 2020

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- There are 5 key indicators that schools should expect to see improvement across:
 - The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
 - The profile of PE and sport is raised across the school as a tool for whole-school improvement
 - Increased confidence, knowledge and skills of all staff in teaching PE and sport
 - Broader experience of a range of sports and activities offered to all pupils
 - Increased participation in competitive sport

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- Enter or run more sport competitions
- Partner with other schools to run sports activities and clubs
- Increase pupils' participation in the School Games
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
- Fund capital expenditure
