

## Year 3 & 4 Home Learning planner WC 11.1.21

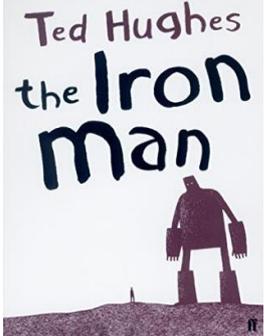

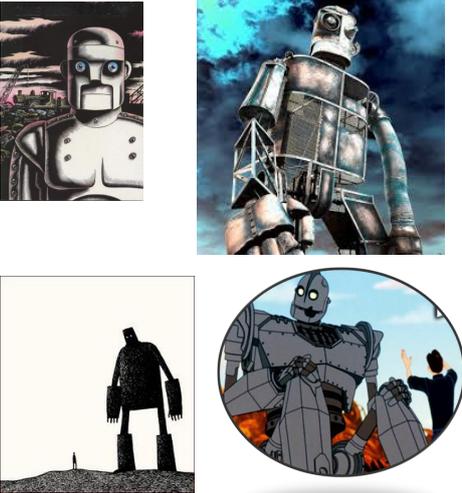

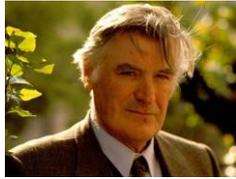

In Year 3 and 4 we are going to be using Tapestry as a great communication tool. Please feel free to share what you have been doing at home or if you need to ask Miss Purdy any questions you may have. We have sent you a letter asking you to access this platform. If you are not yet on Tapestry, please connect as a lot of resources will be shared via this platform.

Please note, for the purpose of home learning, Year 3 and Year 4 will follow the White Rose Maths scheme for their specific year group. This will be indicated in the maths focus and activity by either (Y3) or (Y4). I have looked at the maths topics we have yet to cover and selected the ones that are better suited to home learning to help support.

**This week in school we will be learning about a range of topics. Please find this timetable below, with links for worksheets and additional assistance. Please do not hesitate to contact the school if you have any queries. We would like to thank you for your continued support and assistance during this difficult time.**
