

Year 3/4 Home Learning planner - WC 01.02.21

In Year 3 we are going to be using Tapestry as a great communication tool. Please feel free to share what you have been doing at home, or use it if you need to ask Miss Purdy any questions you may have. If you are not yet on Tapestry, please connect as a lot of our resources will be shared via this platform.

Each week, some work will be selected to be marked and assessed by the teacher, so Miss Purdy can provide relevant feedback and ways to progress. These pieces of work will be highlighted yellow. Please upload these documents/photographs of work to Tapestry, so the teachers can provide personal feedback. Thank you for your assistance. **TAPESTRY FEEDBACK TASK**

This week is Children's Mental Health Week and we are raising awareness by supporting a local charity named 'If U Care Share'. Last year they came into school and talked to us about feelings and emotions and we then held an 'inside out' day in school. This was when we turned our clothes inside out to symbolise getting your emotions out that you may keep hidden inside. On Wednesday 3rd Feb teachers will be linking work to thoughts/feelings and would love to see pictures of the children wearing their clothes inside out to show support. If any children or parents need support there will be links on our school twitter page.
