

Bournmoor Primary School Sports Funding Allocation 2020 to 2021

The 2020-2021 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (Year 1 to Year 6) which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,940 in total.

The money will be used for:

1. £4,000 to AE Coaching for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games.
 2. £2,275 to School Sports Partnership Enhanced Service Level Agreement to ensure high quality PE support across the year.
 3. £2,000 to be spent on outside agencies i.e. sports coaches allowing children to try a fun activity which promotes healthy lifestyles. This can also be continued during playtimes and lunchtimes where children can undertake new sports together for fun. Examples of this would include the Healthy Eating cookery sessions for both KS1 and KS2.
 5. £1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area. *Please note, this amount may rise/fall dependent on the number of events available due to COVID restrictions.*
 6. £3,000 to be spent on external coaches to deliver after-school PE sessions for children in Reception to Year 6. This is to be delivered by Simply Sport and AE coaching.
- £200 to be spent on accreditation to local Football, Netball and Athletics association. This funding will include access for competitive sport such as year-round football competitions (Girls and Boys teams) periodic netball tournaments (Park view and Houghton Keping) and Summer Athletics festival.
7. £3,965 to be spent on updating and replacing PE equipment for use in lessons and at lunch/break times. This expenditure will be led by the children, working with our KS2 sport leader to decide what equipment is required for both class PE lessons and break time.

Rationale	Expenditure	Impact	Cost
<p>School Sports Partnership Bronze Service agreement to be used to ensure high quality PE support across the year</p>	<p>Buy into the Durham School Sports Partnership</p>	<p>Pupils will be encouraged to become sports leaders through SSP training for our Schools Sports Organising Crew (SSOC). They can use these skills in particular in Fit for Life week via intra-competitions that will also be organised through the Durham SSP.</p> <p>The SSP SLA amount has been negotiated to include staff CPD and access to all competitive sporting events on offer in the academic year. This is as a result of the school sourcing outstanding coaching sessions through AE coaching and Simply Sport.</p> <p>Remote support was provided by the SSP during the Covid 19 pandemic which allows teachers to delivery high quality PE sessions remotely. Online coaching sessions, drills and team games were provided which could also be utilised by teachers with key workers + children in school.</p>	<p>£2,275 for the full range of services provided across the academic year 2020-2021</p>
<p>To provide high quality football coaching skills to N and Y1 to develop their co-ordination, balance and strength</p>	<p>AE Coaching Monday morning</p> <p>45 mins Nursery 45 mins Reception 45 mins Year 1 45 mins Year 2</p>	<p>100% of N, R and Y1 pupils will have access to high quality coaching. Gross motor skills will develop in these sessions. All pupils will be given opportunities to work individually and in small teams to build strength and stamina.</p> <p>AE coaching will also provide a number of sessions from the Spring term onwards. This will provide children from R to Y6 with a wide range of sports sessions with professionally training coaches, for example, AE coaching is now in the position to deliver tailored gymnastics and dance sessions (teachers also have the opportunity to up-skill from these sessions should they wish)</p> <p>Due to restrictions in place, AE coaching was not utilised during the pandemic and academic year 2020-21. This funding allocation is planned to be carried forward to supplement the PE catch up curriculum when children return in the 2021-22 school year.</p>	<p>£4,000 for the academic year</p>

<p>To provide outside agencies to allow all pupils to access a fun, healthy sport</p>	<p>Purchase provision across the whole school for Nursery to Year 6</p>	<p>Children will be taught how to complete a range of fun activities. Pupils can then continue this at home if they wish to experience a fun, healthy activity. An example of this will include a whole school healthy eating day with cooking classes, lifestyle choices and recipe ideas.</p> <p>Due to restrictions in place, coaching was not utilised during the pandemic and academic year 2020-21. This funding allocation is planned to be carried forward to supplement the PE catch up curriculum when children return in the 2021-22 school year.</p>	<p>£2,000 for the academic year</p>
<p>To provide professional transport to and from sporting events throughout the year (majority of this will be utilised within the Summer term)</p>	<p>Coach and bus transport to and from events to provide all children with access to high quality, competitive sport across a range of different disciplines</p>	<p>The school will fund travel to and from sporting events to enable access for all children to all sporting events.</p> <p>School attended no external sporting events due to Covid 19 restrictions. As stated in the original budget allocation, this was an anticipated issue and the funding allocation will be brought forward to assist with PE delivery in the new academic year.</p>	<p>£1,500 across the school year.</p>
<p>Professional coaching or after-school clubs</p>	<p>Provide weekly sessions after-school for external coaches to work with children on a range of sports such as Dodgeball and Gymnastics.</p>	<p>Plans are in place to deliver the following after-school clubs in addition to the breakfast sports club delivered on a Monday morning by AE coaching.</p> <ul style="list-style-type: none"> • Gymnastics • Dance • Multi-sports • Cricket • Athletics <p>Due to restrictions in place, coaching was not utilised during the pandemic and academic year 2020-21. This funding allocation is planned to be carried forward to supplement the PE catch up curriculum when children return in the 2021-22 school year.</p>	<p>£3,000</p>
<p>Allow children to compete against local schools in a range of activities</p>	<p>Buy into Chester-le-Street Football Association, Netball league and Chester le Street Athletics Association</p>	<p>Children will be given the opportunity to compete in a range of sports, including, but not limited to: football, netball and athletics. This is to prepare children for the application of skills learned throughout their time at primary school and experience a more competitive level when in secondary education.</p>	<p>£200</p>

		External school leagues for netball and football did not go ahead in 2020-21, as such, this funding remains in place for the next academic year should the requirement to compete remain.	
Replace equipment to ensure teachers, apprentice and dinner staff have the correct, suitable equipment to deliver active sessions	Utilise the carry-over from previous year to replace old equipment, as well as purchase school bibs for external events	<p>New equipment will allow teachers and staff to maintain the high level of PE delivery across the school, building on the success of the previous year. Recommendations have been taken from external coaches to increase the breadth of equipment on offer, for example, new multi-purpose nets will be purchased to enable the teaching of net/wall games such as tennis and badminton.</p> <p>Our EYFS outdoor area will also be updated with the addition of new equipment including bikes and scooters. PE lead and EYFS lead to create a plan to future proof the EYFS outdoor space to utilise the carry over amount from the previous academic year.</p> <p>PE resources have been updated. For example, new footballs purchased as lunchtime and after school sessions are planned in the next academic year and additional equipment will allow us to give the opportunity to all KS2 children, including Year 3 and Year 4.</p> <p>Additional sensory equipment has been purchased to more closely match the individual needs of children in our EYFS provision. This has allowed tailored SEN support plans to be created to specifically meet the needs of children as they begin school.</p> <p>Worn and tired equipment has been replaced, ensuring that the profile of PE remains high and teachers have the tools to deliver quality PE sessions that engage and interest <u>all children</u>.</p>	£3,965

Other ways in which we promote healthy lifestyles at Bournmoor Primary School:

Rationale	Expenditure	Impact	Cost
To utilise teachers' skills developed through Sports Premium Funding training in the previous school year.	Staff time used to enhance PE delivered in school through extra-curricular activities or curricular time	<p>Primary football CPD delivered by the FA upskilled teaching staff to provide in school football club and high quality training provision.</p> <p>Weekly football coaching provided by one of our teachers to ensure that pupils in Y4, 5 and 6 have the opportunity to develop their abilities. Teaching skills were developed in the Durham PE courses.</p> <p>Utilising the skills developed by our previous PE apprentice to up-skill our current HLTA through developing understanding of PE across the key stages. Observations of sessions and training is in place to improve this delivery.</p>	No cost
Links beyond school are developed which allow sustainable healthy lifestyle choices	More Able pupils who leave Year 6 are able to further develop skills taught in Primary	100% of children from Nursery to Year 6 will be able to take part in team and individual events in which they will have the opportunity to develop skills and understanding of sport and healthy living.	No cost
Links beyond school are developed which allow accessible competitive sporting opportunities	Links with Bournmoor Cricket Club and Bournmoor Tennis Club	100% of children will be given the opportunity to develop their cricket and tennis skills in the correct environment and with the correct equipment.	No cost
To increase the range and scope of club links	Work closely with local football and Netball teams (Washington AFC and Vixens Netball) to develop a pathway for competitive sport to be continued as Year 6 children look to move on to Secondary education	<p>The school's PE coordinator will work closely with local clubs to develop the links we provide for 100% of children from R to Year 6.</p> <p>Building on previous year's successes in both netball and football, we will look to further develop these club links to strengthen the drive and ambition held by children in KS2.</p>	No cost

Key Guidance and Allocation Notes

What is Sport Premium?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in school attract the funding using data from the January 2020 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE.

They give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

7/12 of your funding allocation on October 2020

5/12 of your funding allocation on April 2021

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- There are 5 key indicators that schools should expect to see improvement across:
- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- Enter or run more sport competitions
- Partner with other schools to run sports activities and clubs
- Increase pupils' participation in the School Games
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum

- Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
- Fund capital expenditure
