Covid Information for Parents of Year 4/5

Further to the letter sent out by text earlier today regarding Covid cases in school, I can confirm we have been contacted by Public Health England. They provide information and guidance to schools with regards to Covid cases.

We have been advised by Public Health that the number of cases in Year 4/5 meet the criteria for further action and therefore, due to this outbreak, Year 4/5 will return to being a bubble within our school.

We continue to be vigilant in school, ensuring that children sanitise and we follow the guidance given regarding these matters.

If your child is displaying symptoms it is important that you take them for a PCR test and isolate until the results come back.

We thank you for your help at this time and will provide any further updates that we are given.

Yours sincerely,

L A Snowdon

Mrs L Snowdon (Headteacher)
