## What have we been learning?

### PHONICS

#### NURSERY

This week we have revisited some of our favourite activities from this half term. We have been focusing on rhyming words and the initial sounds in words. An excellent way of practising this at home is through playing 'I Spy'!

#### RECEPTION

This week we have learnt the sounds: **air, ure, er**. You will find that these sound cards have been put in your child's book bag for you to practise at home. Please find attached to this newsletter a copy of the letter formation rhymes we use to help us to form the letters from our phonics scheme, 'Twinkl Phonics'. Over the half term holiday, please practise forming these letters at home.

### MATHS

#### NURSERY

We have been revisiting some key concepts from this half term including repeating patterns and sequencing. We have also been practising our counting skills.

#### RECEPTION

This week we have been consolidating our learning from this half term. We have been focusing on the composition of numbers 6, 7 and 8. We have also been focusing on 'one more' and 'one less'.
